The Company's ordinary shares will begin trading on a split-adjusted basis on NASDAQ commencing August 6, 2012 and on the Tel Aviv Stock Exchange commencing August 5, 2012.

As previously announced, the reverse split ratio will be 1 for 15 and will reduce the number of outstanding ordinary shares of the Company to approximately 22 million shares. Fractional shares as a result of the reverse share split will be rounded up to the next whole number. Proportional adjustments will be made to all of TowerJazz's outstanding convertible securities.

The reverse share split is intended to enable TowerJazz to regain compliance with the NASDAQ minimum bid requirement to maintain the Company's stock listing on NASDAQ.
